SAFTEY AT OUR ACTIVITIES

We would like to kindly remind all members, family members and carers that One to One Enfield is not a care organisation, and therefore we are unable to offer travel support to our members. Activity Co-Ordinators are not responsible for the safety of members outside of the session, and so travel plans must be made before members attend each activity.

We would like to encourage members to arrive **no more than 10 minutes** before each activity. The designated staff member will not arrive before this. The winter months are becoming cold and dark and so for safety reasons we do not want members to be waiting for extended periods of time without a staff member.

If you have any worries or concerns about this, or would like some sign-posting to companies who could support travel, let us know.
